The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Sir,

I have the honour to state that the Balabodhini School building which was situated on Chamaraja Road to the south of the Palace Offices was acquired in the year 1924 for the construction of a garage for the Palace Offices and the compensation fixed therefor viz , Rs 4,000/- was remitted to this office by the Executive Engineer, Special Division, Mysore, and credited in accounts on 30-6-1924 The object of keeping the sum of Rs 4,000/- with the Municipality was to provide another building for the school, which is at present being housed in a portion of the building taken for rent by the Municipality for the Chamundy Primary Boys' School, in the Chamundy Extension

Inthis connection, provision was made in the Budget Estimates of the Municipality for the year 1930-31 for the construction of two schools at a cost of Rs 12,000 each, one being the Josyer's School and the other the Balabodhini School But, Government while passing orders on the Budget Estimates retained the provision for only one school, owing to paucity of funds, and the construction of the Balabodhini School was not therefore taken up

With a view to redeem the obligation of the Municipality to provide an independent building for the school with the amount available, it was proposed to purchase a building for an amount not less than that deposited with the Municipality, as they could not undertake to construct a costlier building, in view of their

finances Accordingly, the building on Viceroy Road in Chamundi Extension belonging to one Mr Karigiri Rao was proposed to be purchased at a cost of Rs 4,600/-

This proposal was placed before the Council at their meeting held on 28-3-1934 and it was resolved that the building be inspected by a Sub-Committee consisting of 3 members of the Council, viz , Rev G V Sawday, the Vice-President and Dr A J Ram and their opinion furnished The Sub-Committee inspected the building and recommended that it was suitable for the school with suitable minor alterations

The subject was again placed before the Council at their meeting held on 28-4-1934 with a Memo from the Vice-President (copy enclosed) and it was resolved at the meeting that the purchase of Mr Karigiri Rao's building for Rs 4,600/- be sanctioned

The building proposed is situated in a decent locality on a high road and if the adjacent site measuring 118' x 145' which has been allowed to remain vacant by the purchaser for so long is resumed by the Trust Board, and added on to the building, it would serve as a recreation ground for the girls Even otherwise the building appears suitable The price of the building is estimated by the Engineering Department at Rs 4,500/-, after making allowance for depreciation, and a sum of Rs 4,600 has been fixed as the price to be paid therefor

Due provision has been made in the draft budget estimates for 1934-35 and the amount has also been voted by the Council in the Budget Meeting

In these circumstances, I request the favour of sanction of Government being accorded to the purchase of the building at a cost of Rs 4,600/- as proposed by the Council A copy of the Council's Resolution is enclosed

DATED 15th November 1934

Dear Mr-Ranga Rao

I write to state that in regard to the proposal of the Municipal Council for the purchase of a building at a cost of Rs 4 600/- to locate the Palabodhini Girls School Government have in their Order No L 2606-8/ml 85-34-3 dated 2nd/5th - October 1934 stated that the amount may be credited to - Elementary Education Fund as the control over primary education now vests in the Local Education Authority

The School in question is a grant-in-aid one and the control over it is not vested in the Local Education Authority as contemplated in Sub Section 2 of Section 5 of the Elementary Education Regulation I am therefore doubtful if the provisions of this Act are applicable in respect of this institution I request you therefore to kindly intimate the exact procedure to be adopted in the present case
